Churches Together in Broadstone – praying together

(April prayer themes prepared by St John's)

We pray for our community of Broadstone and Churches Together, which has grown closer during this last year. We give thanks for the Lent Groups and the final sessions of this week, and the hope of a new Peace and Justice Group for Broadstone. We pray for the Café Church today taking place online for all our churches, to explore what church in the future needs to look like in Broadstone. We pray for greater working links to help us serve our community together.

We are pleased to hear that Rev Betto is making good progress and gradually returning to work. We continue to remember Rev Betto and Deacon Suzie in our prayers; they are very concerned about their family members in Brazil.
